

Celebrities Swoon Over Skin 2 Skin™ Care “Beauty at any age is Beauty”

From network dramas to movie sets, **Skin 2 Skin™ Care** is helping the faces of network television care for their skin on and off set. **Chris Harrison**, host of *The Bachelor*, *The Young & The Restless*' **Sean Kanan** and **Tana Lynn Moldavanos**, makeup artist of *Grey's Anatomy* star Jessica Capshaw and the upcoming film “Sucker Punch” featuring Vanessa Hudgens and Abbie Cornish, are all fans of the natural, biodegradable skin care line.

On-set makeup artists **Calla Dryer** and **Beth Boxall** have introduced the cast of *Fringe* including **Joshua Jackson**, **Anna Torv** and **Blair Brown** to Skin 2 Skin™ Care products for use on and off set. The cast loved the products so much; they requested personal sets for use in their own home.

Cast of Fringe

CSI Miami's **Eva LaRue** has expressed her love for the entire line! Her favorite? The Oatmeal & Pomegranate Face Scrub. “After long days at work, I find the Skin 2 Skin™ Care Oatmeal & Pomegranate Face Scrub works really well to clean my face and pores of all the heavy makeup I have to wear on the set.”

It's not just primetime television stars who find themselves fans of Skin 2 Skin™ Care. Former *Vogue* model and singer, **Morganne Picard** raves about Skin 2 Skin™ Care's use in her daily beauty routine to keep her looking flawless on the stage or the runway.

“Being a model and entertainer, my skin has played an extremely important role in my career. Skin 2 Skin Care is magic in my life” says Picard. “From the day we are born, the aging process begins, but now I have Skin 2 Skin Care to keep my skin young!”

With the motto “Beauty at any age is Beauty”, **Skin 2 Skin™ Care**'s products use the

Jessica Capshaw

highest recommended concentrations of peptides, Alpha Lipoic Acid, antioxidants, moisturizers, and anti-inflammatory ingredients to achieve quick, noticeable results without the use of any chemicals or carcinogens. Each product is specially formulated to reverse the effects of aging while also preventing the aging process so skin's beauty can shine through whether you are in your 20's or 50's. Consisting of serums, cleansers, moisturizers, masks, and creams, **Skin 2 Skin™ Care** is recommended for men and women, ages 20 and up of all skin types: sensitive, dry, oily, combination, and normal. Skin 2 Skin™ Care is also proud to carry the PETA and is Vegan-friendly seal of approval too.
